

2011 United States Mint Proof Set® Available January 11

January 4, 2011

WASHINGTON — Collectors may begin placing their orders for the 2011 United States Mint Proof Set at noon Eastern Time (ET) on January 11, 2011. This year's set, priced at \$31.95, includes the second set of coins to be released through the America the Beautiful Quarters® Program. These quarters feature reverse designs honoring Gettysburg National Military Park (Pennsylvania); Glacier National Park (Montana); Olympic National Park (Washington); Vicksburg National Military Park (Mississippi); and Chickasaw National Recreation Area (Oklahoma).

The annual set also includes Presidential \$1 Coins honoring Andrew Johnson, Ulysses S. Grant, Rutherford B. Hayes and James Garfield; a new Native American \$1 Coin; and the Kennedy half-dollar, Jefferson five-cent, Roosevelt dime, and Lincoln one-cent coins.

The popular United States Mint Proof Set contains coins that are manufactured using specially prepared, highly polished dies. The coins are extraordinarily brilliant, with sharp relief and a mirror-like background. A frosted, sculpted foreground gives them a special cameo effect. The coins are sealed in three protective lenses to showcase and maintain their exceptional finish. A Certificate of Authenticity is included with each set.

Orders will be accepted at <http://www.usmint.gov/catalog> or at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468). All domestic orders will be assessed a shipping and handling fee of \$4.95 per order.

The United States Mint Proof Set is also available through the Online Subscription Program. For more information about this convenient ordering method, please visit <http://www.usmint.gov/catalog>.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of January 11, 2011, noon ET shall not be deemed accepted by the United States Mint and will not be honored.
